

# I'M AMAZED

D            A/D            Bm            Bm7

**Verse 1**

Just another day, and a little bit older

G            D            A            A2

Still I'm reminded of my need to praise

D            A/D            Bm            Bm7

All of my needs and all of my wants

G            D            Asus            A

Simply fade away when I'm on my knees to pray

D            A/D            Bm            Bm7

Fearfully and wonderfully made I am

G            D            Em7            A

By this You chose me Lord You have a plan

D    A/D            Bm            G

**Chorus**

I'm amazed by everything about You

D    A/D            Bm            G

I'm amazed by everything You do

D    A/D            Bm            G

I'm amazed by Your mighty power

G            Asus            D    A/D    G    D    A/D    G

Your love has captured me, I'm amazed,      I'm amazed
